VERSE 1

Bigger than my hopes and dreams
Bigger than my greatest need
This mountain that's in front of me
Will crumble in victory

Bigger than my eyes have seen
Bigger than my unbelief
This broken life He has redeemed
His sacrifice has set me free

CHORUS

All things, all things
Are possible
Your Name, Your Name
Unstoppable
I believe it, I believe it
I know my God can do it
All things, all things

VERSE 2

Better than my greatest wins
Better than this world can give
I'm standing on His promises
Friend, it don't get better than this

CHORUS

All things, all things
Are possible
Your Name, Your Name
Unstoppable
I believe it, I believe it
I know my God can do it
All things, all things

BRIDGE

His presence is with us
Oh can you feel it
His power is working
Oh come receive it

His presence is with us
Oh can you feel it
His power is working
Oh come receive it

Right now I receive it
I know it, I believe it
Right now I receive it
