

Got Me Through [Ab]

[Rock Springs Worship] by Noah Cleveland, Ivy Cleveland, Heath Balltzglier and Matt Summers

VERSE 1

So many days - I've been on my knees and prayed
So many tears - Have come from my soul in this place
But You heard every prayer, every time
You were right there, by my side

CHORUS

When You didn't move the mountain
You gave me the strength to climb
The flames didn't have to burn out
You were right there in the fire
You didn't move my red sea
You made a way for me
I know it's true
I'm living proof
You got me through

VERSE 2

I cannot forget - All of Your faithfulness
How You carried me - In the moment I could not stand
You heard every prayer, every time
You were right there, by my side

CHORUS

BRIDGE

When the battle left me broken
I was left there with no hope
In the middle of my darkness
Your hand was there to hold

No one else could be my rescue
No I was too far gone
Oh You never gave up on me
You're the rock I'm standing on
Oh - You got me through
Oh - You got me through

CHORUS

ENDING

You got me through
